

Sociali DEV Changes in UAT

Sociali Android

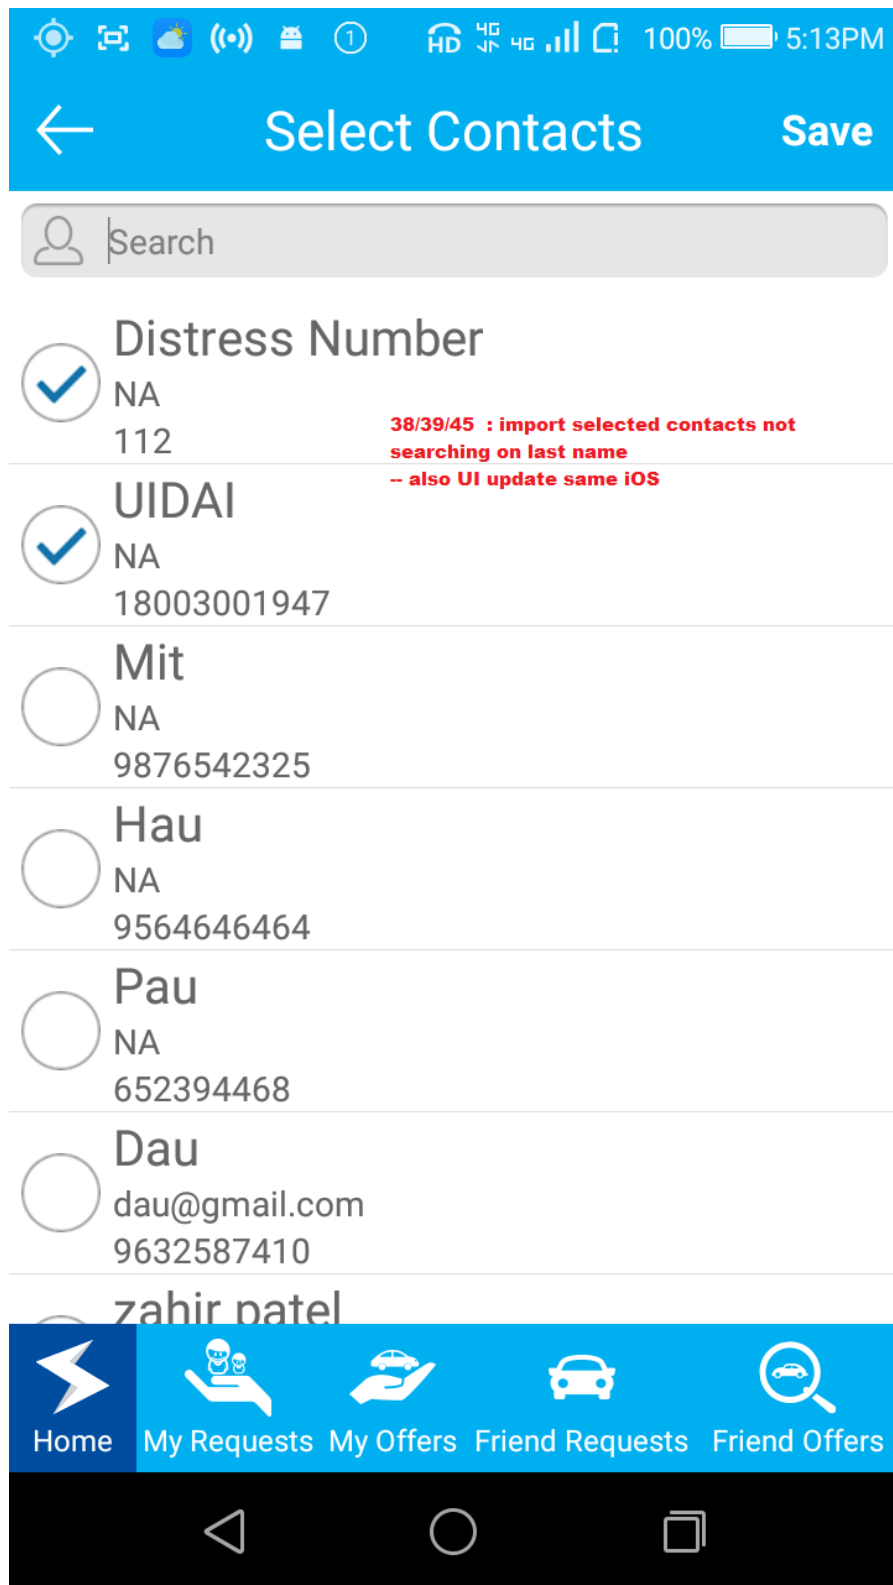

1. Row 36 : remove street address 2 from profile home and work addresses

2. Row 28 : reduce the white space above the btns and remove background image in this screen.

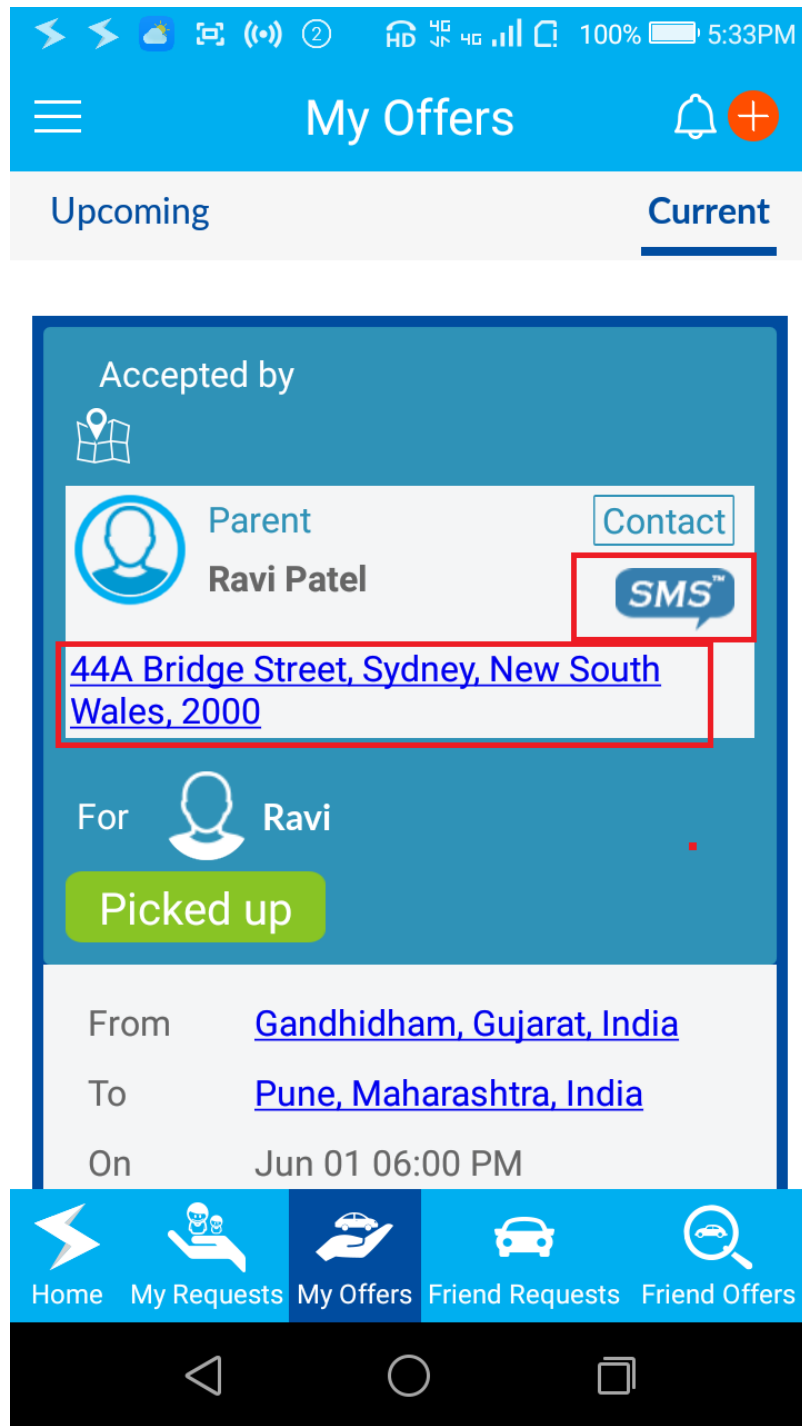

3. Row 38/39/45 : import selected contacts not searching on last name

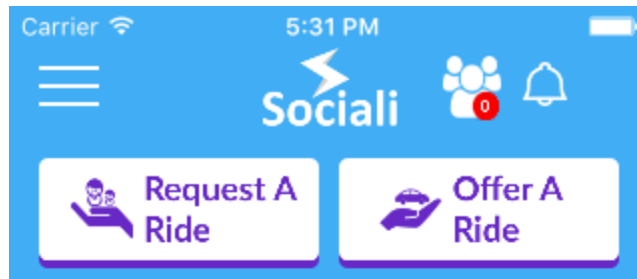

4. Row 68 : SMS has stopped working (ios -> andy) it used to work

Added SMS Functionality and add drive home address in that.

Sociali iOS

1. Karma points on the home screen

Karma Points (KPs) are the virtual currency of Sociali. Earn KPs by Offering rides & more. Spend KPs on requesting rides. Redeem KPs for real gift cards! See [T&C](#) for details.

2. Row 36 : remove street address 2 from profile home and work addresses
